# Keep your personal belongings safe

Here are some helpful ways to help keep personal belongings safe:

All bags, backpacks and purses need to be kept in lockers that Chop's provides free of charge. Lockers are intended for one member to use at a time. If there is not a locker available to use, ask a supervisor and they can help safely store your belongings.

- *Do not share your locker with a friend.*
- *Pick a locker combination that only you will know. Not your birthday.*
- *Don't share your locker combination with anyone.*
- *Do not ask anyone to get something out of your locker for you.*
- *Remember which locker you put your belongings in.*

Do not leave your wallet, cell phone, electronic devices etc. un-attended.

If you have a cell phone, it is recommended that you install a phone tracking system app such as *Find My Phone*, *Find My iPhone* or *GPS Tracker*.

When leaving a program area, make sure you have what you came with.

If you are missing a personal item, alert a supervisor as soon as you realize it's not where you left it.

**Chop's Teen Club is not responsible for lost or stolen items.**

# Art

Through open studio time, teens experience art disciplines such as hand built and wheel thrown ceramics, sewing and knitting, painting, drawing and construction. While we schedule an emphasis project for the day, we're open to exploring many ideas and creative challenges any day! We are happy to help with school projects and portfolios as well as personal art. Each of our Art Studio staff are talented professionals eager to share their skills with you.
